Designed for rapid problem solving and adaptable threat mitigation.

Professionalism and Quality Outcomes

Demonstrated history of disciplined, reliable, and customer-focused service.

CAPABILITIES STATEMENT

COMPANY OVERVIEW

TSC-3 Security Services is a veteran-owned security firm providing professional unarmed protective services across California and Washington. The company's leadership is composed of highly trained U.S. military veterans with over 50 years of combined experience across national and international security environments. TSC-3 specializes in delivering reliable, mission-ready personnel capable of addressing complex security challenges. Their operational approach emphasizes professionalism, rapid responsiveness, and tailored security solutions for government and commercial clients alike.

PAST PERFORMANCE

U.S. Marine Corps Security Operations

Security protocol implementation and protective support in domestic and international environments.

Joint Forces & Special Forces Support

Operational leadership in high-risk, multinational theaters.

NATO & International Contingency Operations

Security coordination, threat response, and mission-critical support roles.

CORE COMPETENCIES

Unarmed Security Guard Services

- Professional security personnel trained in prevention, deterrence, and incident response.
- Mobile patrol, access control, alarm response, and facility security

Security Strategy & Risk Management

- Threat assessment, compliance support, and security protocol development.
- Rapid adaptation to evolving risk environments.

Veteran-Led Leadership & Operational Expertise

- 100% veteran-owned; leadership includes U.S. Marines, Joint Forces, and Special Forces backgrounds.
- Over 50 years of combined high-level security and management experience.

Professional Response & Client Support

- Tailored solutions with a 24/7 response commitment.
- High-standard training and service reliability for government and commercial clients.
